**Account Number 00150048**

You can also send a cheque, postal order or CAF voucher to your local Poppyscotland office or can contact one of our three Regional Fundraisers to help you. You can email them on fundraiseforus@poppyscotland.org.uk

Do you have a local volunteer Scottish Poppy Appeal Area Organiser? They are probably the person who delivers your poppies. You can give the money you raise to them.

Thank you for your support.
Who are we?
Poppyscotland provides life-changing support to our Armed Forces community. We reach out to those who have served, those still serving, and their families. At times of crisis and need we offer them vital practical advice, assistance and funding.

What do we do?
Poppyscotland is best known for running the iconic Scottish Poppy Appeal, but we work all year round to help those who have served, those still serving and their families receive the care and support they urgently need.

£20 Life living rough can be frightening and lonely. As little as £20 can provide a homeless veteran with a nights accommodation, and access to re-housing services.

£500 The road to recovery for an injured serviceman or woman can be long and challenging. £500 could enable them to spend a week at a specialist treatment centre, so that they can receive the highest quality care and accelerate their recovery.

£1,000 Can fund several small home adaptations and aids that will increase a veteran’s independence and safety within their own home.

What can you do?
Without your help we could not deliver our life-changing services. Throughout the year people raise money in many different ways. There are lots of ideas on our website. You could:

▼ Take part in the annual Scottish Poppy Appeal and sell poppies in your school.
▼ Organise a First World War Centenary Remembrance Concert in your school and sell tickets.
▼ Create poppy-inspired art during your art class and auction/sell your creations.
▼ Host a bake sale and make poppy themed cakes, treats and biscuits. Yum!
▼ Wear all red on a non-uniform day and encourage your friends to do the same.
▼ Design, make and sell your own poppy-inspired bunting!
▼ Bring old clothes/objects into class and upcycle them as part of a sponsored ‘Make, Do and Mend Day’.
