

ACTIVITY 1: FEELINGS THEN AND NOW

Look at the images. What do you think the children in these pictures are feeling? Are they feeling the same things or are they different?

Draw a line from the thought bubble that describes a feeling to the picture you think it matches. Use the empty bubble for your own ideas and the words to help you

THEN

Children being evacuated would have felt lots of different emotions

NOW

Children in lockdown would have felt lots of different emotions too
