## Teacher's notes

### The big question

How can we support Poppyscotland?

### Level

Second

### Experiences and outcomes

By experiencing the setting up and running of a business, I can collaborate in making choices relating to the different roles and responsibilities and have evaluated its success. **SOC 2-22a**

When I engage with others, I can respond in ways appropriate to my role, show that I value others' contributions and use these to build on thinking. **LIT 2-02a**

I am developing confidence when engaging with others within and beyond my place of learning. I can communicate in a clear, expressive way and I am learning to select and organise resources independently. **LIT 2-10a**

### Introduction

This challenge could be used as an extension of other challenges where a celebratory event is appropriate. This event could be an occasion where pupils share their learning of a war topic and Poppyscotland.

Children should share their own experiences of celebrations and recollect school celebrations. Discuss why people come together to remember sad and happy occasions. Children should as a class identify the elements that would create a successful Poppy Tea & Toast event.

A draft programme of what the class would provide should be developed, to be finalised as work progresses. The children should divide into working teams for each area of the event, refreshments, display, products for sale, entertainment, etc.

A team leader should be nominated to speak to the class and share progress, ideas, etc. Groups should plan their aspect of the event, recording decisions of the group.

The class should identify special guests to invite – members of the local community, Legion Scotland, Territorial Army, head teacher, friends and families. Each child could design a special invitation to send or one design may be chosen by the class to use.

Products to sell could include pieces of art work, range of postcards for Poppyscotland, T-shirts (see 'T-shirt design challenge'), and calendars (see 'community calendar challenge').

A special guest could be invited to open the event.
